

THE MARK OF THE BEAST: QANON, TRUMP, ST. GERMAINE & COVID-19

March 17, 2020 – Avoidthemark.com

We need to talk about the mark of the beast. While there are countless ideas and opinions about exactly what the mark is, this is mine and I stand behind it.

It's vitally important right now, during the [Covid-19 scare](#) and beyond, to be vigilant. [The statistics](#) simply don't add up to a worldwide lockdown that we're currently under.

In this article, I'll show you exactly how I came to a specific conclusion about the ominous mark of the beast and how it plays into our current worldwide events.

(Disclaimer: the mark of the beast is not an RFID chip implant.)

Read on.

Revelation 13 and 14

To give a baseline to our discussion, this is how the Bible describes the mark of the beast in Revelation 13:16-18 (KJV):

"16. And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: 17. And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name. 18. Here is wisdom. Let him that hath understanding count

the number of the beast: for it is the number of a man; and his number is six hundred threescore and six."

Note that in Scripture, your right hand represents your works and deeds, and your forehead represents your thoughts and will.

You may think I'm going to say that the "he" referenced in the Scripture is an individual called Antichrist, right?

It's not. It goes way deeper than that.

The unfortunate endgame for those who choose (notice I say "choose," not forced) to take the mark of the beast is detailed in Revelation 14:9-11 (NKJV):

"9. Then a third angel followed them, saying with a loud voice, 'If anyone worships the beast and his image, and receives his mark on his forehead or on his hand, 10. he himself shall also drink of the wine of the wrath of God, which is poured out full strength into the cup of His indignation. He shall be tormented with fire and brimstone in the presence of the holy angels and in the presence of the Lamb. 11. And the smoke of their torment ascends forever and ever; and they have no rest day or night, who worship the beast and his image, and whoever receives the mark of his name.'"

But how will you know when the mark of the beast is presented to you?

How will you possibly stop it from happening to you and your loved ones?

Is it happening right now?

The mark of the beast does not come from an individual called Antichrist; it's a system

Revelation 13 is very clear about who gives the mark. And it's not a person called Antichrist. It's also clear in Revelation 13 that there are two different forces at work during the end times: the first beast and the second beast.

The first beast, also called the [beast of the sea](#), is the one associated with the Antichrist system. This is the system we've been living under for hundreds of years. It's the all-too-familiar system of oppression, fear, debt and slavery.

But it's not this beast that gives the mark.

The second beast, the [beast of the earth](#), the false prophet system which is also called The Alliance, is the one that gives the mark. This beast is a system that represents hope, wealth and power to the people.

If we take things back to verse 11 in Revelation 13 (KJV), it becomes much clearer that a second beast, like a lamb, arises in the endtimes:

"11. And I beheld another beast coming out of the earth; and he had two horns like a lamb, and he spake as a dragon. 12. And he exerciseth all the power of the first beast before him."

How the first beast has lied to us about the mark

The idea that the mark of the beast is some sort of ambiguous form of technology that somehow tracks your every movement better than an iPhone or a FitBit, or allows you to pay without using cash better than Apple Pay or any credit/debit card, or has some new facial recognition software (like they're already doing in China and [several US cities](#)) and is given by Antichrist, is a non-Biblical Jesuit idea that's been popularized by a media controlled by the first beast.

But it simply isn't true.

One example of how we've learned to accept the idea that the mark of the beast comes from a person called Antichrist can be found in season eight of the popular television series *American Horror Story*.

In this series, a specific character is depicted as the Antichrist who arises to power. In a scene, the character even quotes (incorrectly) from Revelation 13:1 (KJV):

"And I stood upon the sand of sea, and saw a beast rise up out of the sea, having seven heads and ten horns, and upon his horns ten crowns, and upon his heads the name of blasphemy."

The writers of the series want you to think this verse refers to a single person, and that this person is the beast of the sea; the first beast; the Antichrist.

In *American Horror Story*, this deceptive character even has a suspicious 666 scar behind one of his ears. This is completely inaccurate and only further perpetuates the lie.

This represents the misinformation widely believed by Christians and non-Christians alike. However, Revelation 13:1 actually teaches us that the first beast is the antichrist *system*; the [spirit of Belial](#) and his many armies.

The idea that there's an individual Antichrist is the most popular idea circulated throughout the world. But what's popular doesn't equal what is Biblically true.

It's only what the first beast wants us to believe.

The two beasts

The two beasts in Revelation are conglomerates of two separate and distinct Luciferian agendas. Dark magic describes these agendas as [right-hand or left-hand paths](#). Light and dark. Bad and evil.

Notice that I didn't say "good and evil."

To those who hold the belief that a single man will rise to power and somehow desecrate a temple, claim that he is God and be worshipped by the entire world, I want to ask you something: how could one man possibly overcome the first beast: [the deep state](#), the cabal, and the elite who have almost complete control over all current forms of government, media and religion?

How could one man, no matter how powerful, overcome them all and rule the world as though he were God?

One person can't. It takes an army of principalities and powers to accomplish a [worldwide agenda on this massive scale](#).

It takes a great left vs. right deception.

To throw us off the path of Truth, the agenda has convinced us that we are the problem. We divide ourselves in every way possible and fight among each other. This keeps us from learning the truth of [who actually rules over us](#), and what their ultimate goal is.

The next purpose it has is to keep us blind from noticing when the second agenda arrives. The second agenda is when we encounter the mark of the beast.

The first agenda, although still in plain sight, has already been defeated by the second agenda. But to fully understand how events will play out, we need to look at how the first agenda accomplished dominion over the people of world.

The Federal Reserve banking system

All money in the US is controlled by a private central bank [called The Federal Reserve](#).

As [Mayer Amschel Rothschild](#) (1744 -1812), Godfather of the Rothschild Banking Cartel of Europe, was quoted:

"Give me control of a nation's money and I care not who makes the laws."

The road toward complete control for the elites of the world hasn't been easy. In fact, it's been inching its way forward for millennia.

By researching the [history of central banks](#) and the Federal Reserve system, you'll learn what a long path it's been for the first beast to gain total control over us through deceptive banking practices, debt and a system that sets us up for failure and slavery.

Entire books have been written on this subject.

However, we've now reached the final phase, moving past the transition from the first beast to the second; into the complete and total control of the second beast.

The second beast will not rule through the central banks. In fact, the second beast will destroy these entities.

Ask yourself, however: could a single man that is yet to come somehow do this on his own? Could he somehow be worse, or more evil, than the first beast system that, through their banking cartel, ran the world on:

- The blood of human trafficking?
- Drug trafficking?
- Satanic ritual abuse?
- Pagan idolatry?
- Child sacrifice?
- Slavery?
- The strategic rejection of Truth?

These activities have all been hiding under our noses for hundreds of years, while we toil away in day-to-day life, trying to survive.

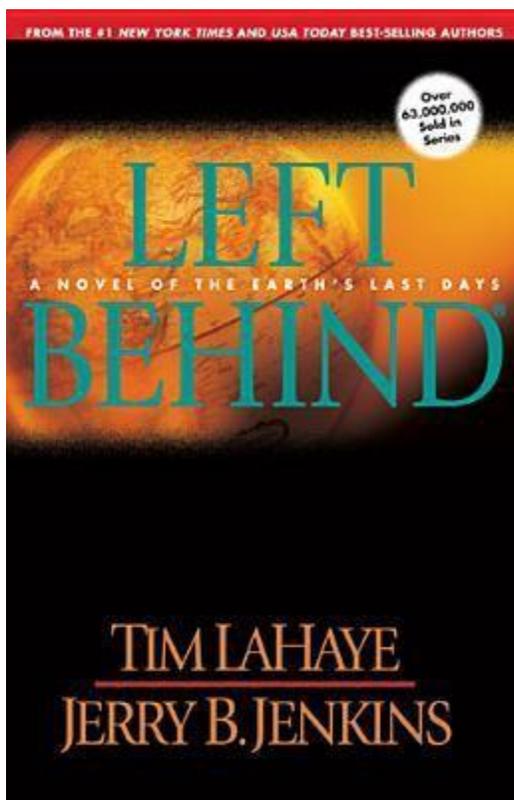

The first beast, the cabal, is quite literally anti-Christ. They follow the rules and laws of the [Babylonian Talmud](#), which is the most anti-Christ book in existence. It teaches them that you and your loved ones are nothing more than cattle for their use.

So, could one man be somehow more blasphemous to God than the current world we already live in? Is one man really the second beast? Or is it much more?

It's time to open your eyes to the real world we live in.

The Rapture

Another reason people believe the Antichrist is a man is because of the popular book series *Left Behind*, written by noted Freemason Tim Lahaye.

This book series also popularized the idea [of a rapture](#). However, the rapture doctrine in these books is highly misrepresented by distortions of what the Bible really says.

This is a huge topic that I'll need to cover in another article. But for now, I'll just say that if you're getting your theology or [endtimes beliefs](#) from Tim Lahaye, it's pretty much the same as getting your news from Anderson Cooper or Rachel Maddow.

RFID chip implants

You've probably noticed that anytime someone mentions [getting an RFID chip](#), people start to scream, "mark of the beast!"

But throwing out the term "mark of the beast" over RFID chip implants completely cheapens the MASSIVE and world-wide event that is going to be the true mark.

The real mark will be based upon Biblical truth and actual historical events leading up to a worldwide quantum currency reset.

People usually conjure up fantastical ideas that one day, the entire world is going to turn upside down and everyone will immediately know that the end is here. That's exactly what the enemy wants us to believe.

But we don't live in the movies the enemy has shown us.

Remember, 2000 years ago, nearly everyone missed the first coming of Yeshua (Jesus) because they were all looking for a King; someone they deemed worthy of being the Messiah.

Just like in those days, looking for a sign today that says 666 in some sensational RFID technology is not rooted in reality, even if the idea fits with what we *think* will happen.

Furthermore, an RFID implant is a technology that could potentially be forced on you. The mark of the beast will be freely chosen by each individual, not forced upon them.

The rules of the cabal

Lucifer and his armies are required to work within a specific set of rules.

This is very important.

The rules are a body of spiritual principles that they must follow in order to be allowed to exist. If they don't closely follow these benevolent spiritual principles and forces, they can't achieve their goals.

In other words, unless we give them our permission, they cannot achieve what they set out to do.

The rules are universal laws that cannot be pre-empted, avoided or worked around.

Malevolent forces, or fallen angels, and disembodied [spirits of Nephilim](#) (or "demons") cannot do anything without our consent or that is outside of Biblical prophecy.

This is exactly why prophecy is so subjective. If there were too many specifics given within prophecy, instead of parables to be interpreted at the correct time, the malevolent forces would be locked into fulfilling prophecy in one specific way. This would suggest a deterministic God.

But this couldn't be further from the truth.

Think of prophecy like a [hurricane spaghetti model](#). Certain paths end up merging into one at certain times. In prophecy, these alignments are based upon the decisions we as a people make, that are presented to us by the principalities of the powers of the air and executed by the wicked people who hold positions of high power.

But the ultimate decisions remain with us.

The idea of a worldwide RFID chip being forcefully implanted into every single person doesn't follow the very laws that the dark cabal must follow.

Say, however, that for some reason that were to happen. What system would the RFID even chip run on? How would it operate any differently from your current:

- IP address?
- Cellphone?
- Bank account?

How exactly would it work to connect all people in all places?

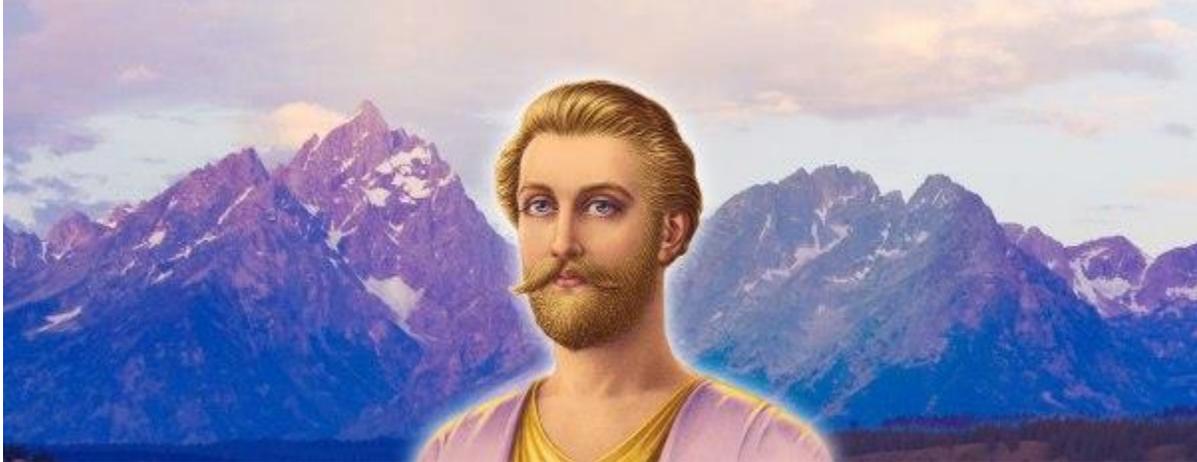

You see, the chip itself is superfluous when you take it to its logical conclusion.

Instead, something revolutionary must happen that has never been uncovered or understood until the right time. Something like a new [quantum financial system](#).

So here we go.

NESARA, GESARA and Saint Germain

[NESARA](#) began with [Saint Germain](#). This is the event has been in the works [throughout all of human history](#).

Saint Germain is one of the most key figures in the New Age belief system, and is said to be an ascended master. But his spirit is ancient. It goes far beyond what we know as the *human* of Saint Germain.

A better description of him is the fallen angel known as Lucifer, who is [also called Gadreel](#). The Book of Enoch references Gadreel and calls him the angel who deceived Eve in the Garden of Eden.

It's been documented that in 1729, Saint Germain was working on the establishment and funding of a new world monetary trust. The Saint Germain world trust now contains the majority of the wealth that will be distributed to the world once the new financial reset takes place.

Today, Saint Germain's world trust prosperity program is known as NESARA and [GESARA](#).

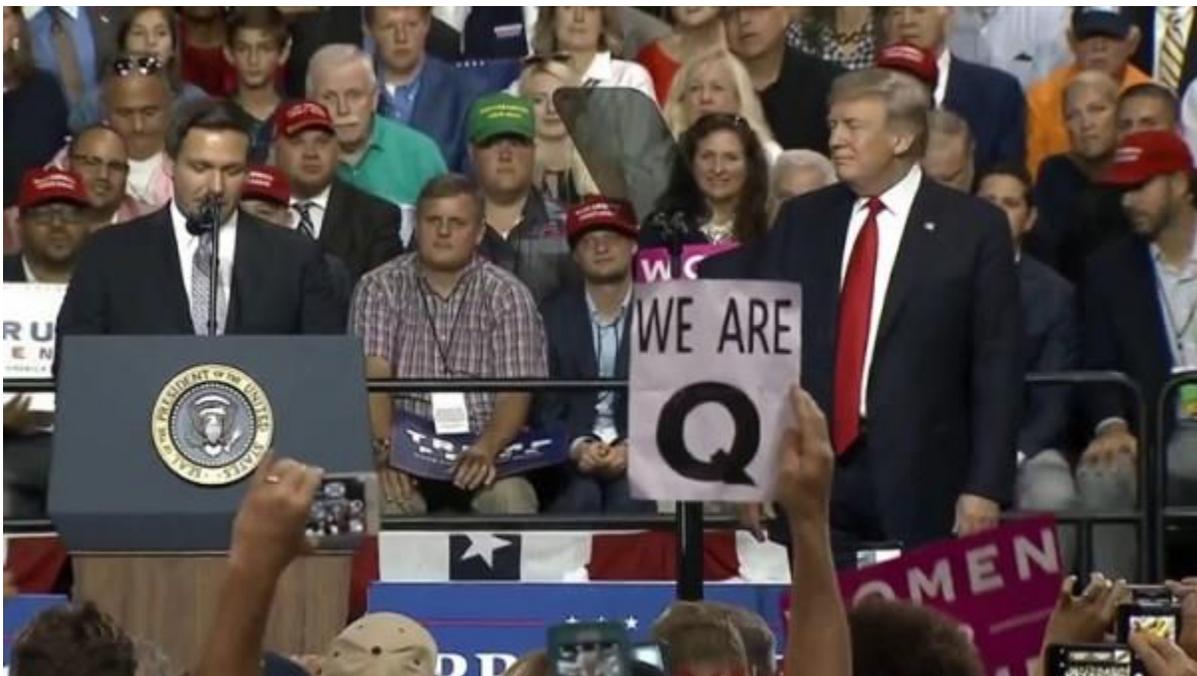

NESARA stands for National Economic Security and Reformation Act. It applies only to the United States.

While GESARA, the Global Economic Security and Reformation Act, applies to the rest of the world.

Although the mainstream narrative states that the proposal died before ever gaining traction, the truth is actually quite different.

It's said that NESARA was secretly passed by the US Congress on March 9, 2000. The military forced Bill Clinton to sign it into law under threat.

Yes, the military. The ones who are behind the entire worldwide [QAnon movement](#) and are part of the second beast system. They actually forced Clinton, a dark cabalist who is part of the first beast system, to sign NESARA into law.

GESARA is part of the Paris Agreement that was signed into law in 2015. Remember, Trump took the [US out of the Paris agreement](#) in 2019. The reason was simple: the US is not part of GESARA. We have NESARA, the version that's specific to the United States. The move had nothing to do with climate change.

As a program, NESARA can be viewed from a couple of different perspectives. The New Age says that NESARA is:

"A spiritually directed financial program that can be attributed back to Saint Germain. It was designed to provide a new economic system for the world during the time of transition."

The transition they mention is happening right now, with Donald Trump, [the White Hats](#) and QAnon eliminating the cabal, or the deep state, and "draining the swamp."

The power is shifting from the dark cabal, or the Antichrist system, to The Alliance, or the false prophet system; from the first beast to the second beast, as we discussed earlier. Or, as QAnon likes to say, "from dark to light."

However, this is a false light masquerading as [the real thing](#). Promising humanity a glorious future after the cabal is taken down is a false future.

Entering the new age

The New Age says that this current time of transition is from the [Piscean Age to the Age of Aquarius](#). Saint Germain says that he is the teacher of the Aquarian Age. Unfortunately, he'll never get to have his own millennial reign after this financial reset.

Why?

Because he's Lucifer and this is the mark; quite literally the last prophesy before the return of Jesus.

The world trust was supposed to be distributed to the world at the beginning of what Saint Germain called [Christendom's Second Millennium](#), or the year 2000. However, as Y2K started to get closer, it became clear that the dark cabal who controlled the world was not about to let this happen yet. Additionally, many Biblical prophecies had not yet been fulfilled.

Next, NESARA was set to be announced on September 11, 2001 at 10am EST. Do you remember what happened then?

The cabal blew up the World Trade Center to prevent it from happening. The gold that backed the new Alliance economy

currency was stored within the World Trade Center towers, and was temporarily [stolen by the cabal](#).

Could the gold now be stored in the [Global Seed Vault](#) in Svalbard? We don't know for sure; but the Global Seed Vault is guarded under lock, key and weaponry like no other place in the world.

Nine-eleven was a perfect example of how the hand of Biblical prophecy simply can't be forced. While we were in the end times in 2001, the seven year Tribulation had not yet started. More prophecies still needed to be fulfilled.

As a collective, humanity had to yet agree to certain spiritual tests given to us by the principalities. The "hurricane spaghetti model" of possible outcomes still had too much uncertainty as to what humanity would spiritually agree with and consent to.

Today, however, we see a record number of people proclaiming spirituality, while rejecting Jesus as savior.

The verse 2 Timothy 3:5 (KJV) explains it as such:

“Having a form of godliness, but denying the power thereof: from such turn away.”

From dark to light

The faction behind NESARA and GESARA consider themselves to be working for the light; the system that is in opposition to the cabal. But, remember how we discussed that it's not “bad vs. good” but “bad vs. evil?” Just because the false prophet system is taking down the Antichrist system doesn't make the false prophet system good; although it sure will sound like it when it's presented to us.

These people are now working directly with Donald Trump to bring about the new worldwide quantum financial system. Most of the people working to defeat the cabal and “end the Fed (Federal Reserve Banking system)” are in the US military. Since NESARA failed in 2001, they decided that there was no sense in unveiling it to the people until the dark cabalists were first removed from power.

This is exactly what Trump and QAnon are now doing, along with the assistance of other Alliance countries such as Russia and China. There are many others.

Events are now in line with Biblical prophecy.

Beyond that, many in the New Age claim that the current incarnation of Saint Germain is in fact Donald Trump.

The time is nearly here to release the prosperity funds from Saint Germain's world trust. Why? Because those who were controlling the current monetary system of central banking are simply no longer in control.

What NESARA will do for the US and the world

Now, take a breath. Remember how the amount of money in the Saint Germain world trust has reached a number of a 1 and 45 zeros?

NESARA funds will first be used to buy out all oil corporations, banks, pharmaceutical cartels, and zeros out all of their debt.

Once all of those funds are paid out, the remaining funds will be distributed to the people.

Here's what they plan on doing with it for every citizen who signs a personal contract with the new Alliance:

- Forgive all mortgage, bank debt and credit card debt due to the cabal's illegal banking and government activities
- Eliminate the Federal Reserve system
- Abolish income taxes
- Abolish the IRS
- Create flat-rate, non-essential "new items only" sales tax revenue to fund the new government
- Drastically increase benefits to senior citizens
- Return true Constitutional Law to all citizens and courts
- Establish new presidential and congressional elections within 120 days of NESARA's announcement
- Create new US treasury currency, the "rainbow currency" — one backed by gold, silver, platinum and other precious metals
- End the bankruptcy of the United States initiated by Franklin D. Roosevelt in 1933
- Stop all special interest groups
- Closely monitor the validity of elections

- Establish worldwide peace — US troops will be brought home from around the world as peace is declared; in alignment with the Constitution, there will be no standing armies, and that will be permanently observed
- Release enormous sums of money for humanitarian purposes
- Enable the release of thousands of suppressed technologies currently being withheld from the public under the guise of national security — this includes free energy devices, antigravity devices, and sonic healing machines (6,000 technologies will be released initially, followed by the release of more than 60,000 technologies)
- Initiate the first phase of worldwide prosperity distribution of vast wealth that has been accumulating for hundreds of years

NESARA and GESARA will create an entirely new system of worldwide currency that's fully transparent, backed by gold, not governed by bankers and [runs on the blockchain](#), an un-hackable, ledger-driven accounting of every transaction ever made. This offers full transparency and privacy, and is 100% traceable.

And remember, blockchain isn't just for money. It also helps to eliminate voter fraud and all dark web illegal activity, and much more.

Even though the US was on the gold standard before [Richard Nixon took us off](#) of it in 1971, this time will be very different. Nixon took the US off the gold standard in order to create debt and make the Federal Reserve more powerful.

The new gold, however, isn't coming from the Fed, or any other country's central banking system. Rather, it will be coming from Saint Germain's world trust.

This is absolutely unprecedented in all of world history.

The Eternal oath

Before We the People can accept these funds, each individual will be required to make a pledge to use this money for humanitarian purposes. Or, make some sort of large-scale "oath to humanity."

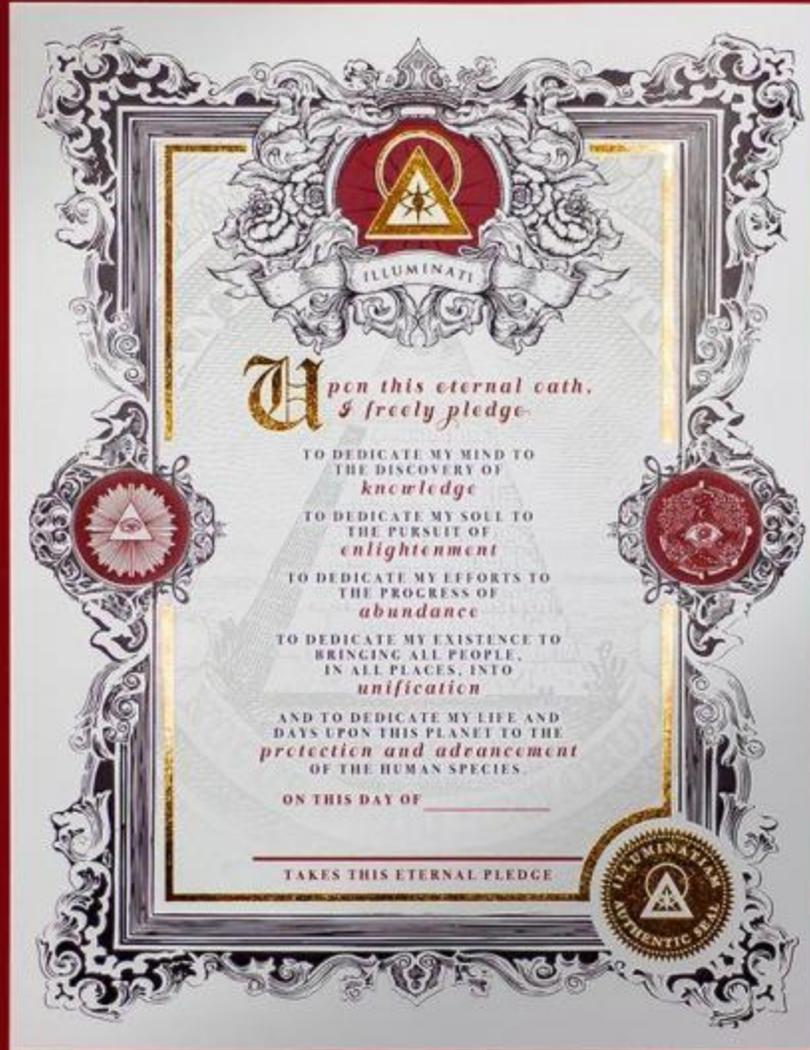

Not surprisingly, there is already a blueprint for this. It reads as such:

"Upon this eternal oath, I freely pledge to:

- Dedicate my mind to the discovery of knowledge*
- Dedicate my soul to the pursuit of enlightenment*
- Dedicate my efforts to the process of abundance*
- Dedicate my existence to bringing all people, in all places, into unification*
- And to dedicate my life and days upon this planet to the protection and abundance of the human species*

On this day of _____

Takes this Eternal pledge"

Swearing an eternal oath doesn't sound that bad, right?
Especially for the "good" of humanity?

James 5:12 (KJV) strongly disagrees:

*"But above **all things**, my bretheren, swear not, neither by heaven, neither by the earth, neither by any other oath: but let your yea be yea; and your nay, nay; lest ye fall into condemnation."*

Matthew 5:34-35 (KJV) says the same:

"34. But I tell you, do not swear an oath at all: either by heaven, for it is God's throne; 35. or by the earth, for it is His footstool."

The people in the United States are the ones in most danger for signing this oath and accepting these funds, **which is the mark of the beast**. Those in the US will be first, and probably won't realize that within a few days, or weeks, after they accept, the entire world will be on the exact same system.

All banks throughout the world will be forced to announce the new quantum financial system, GESARA, after only a few days of NESARA's official announcement.

The Jubilee and deceiving the elect

This entire idea is based in the Hebrew, and is called [The Jubilee](#), where all debt is cancelled.

But why do you think that everything associated with this global financial reset, the mark of the beast, is based upon Biblical terms? For example, Matthew 6:12 (KJV) says:

"And forgive us our debts, as we forgive our debtors."

It's almost as though they are trying to [deceive the very elect](#); which they certainly are.

In the US, there will be a grace period where your current Federal Reserve notes will continue to be accepted, then taken out of circulation. But after that time, only the new currency will be accepted.

In other words, you won't be able to buy or sell without it, just as Revelation 13:17 (KJV) says:

"And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name."

The reason gold-backed money is so important to The Alliance is because of the Biblical King Solomon, who was one of Saint

Germain's prior incarnations according to New Age Luciferian beliefs.

King Solomon was one of the world's foremost alchemists, occultists, and was guided by none other than Lucifer himself. He was also the [richest man who ever lived](#).

Biblically, King Solomon and his New Age spiritual lineage are the 666.

Revelation 13:18 (KJV) says:

"Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six."

And we see that in 1 Kings 10:14 (KJV):

"Now the weight of gold that came to Solomon in one year was six hundred threescore and six talents of gold."

God gave us all of the information we need to decipher the Bible, all within its pages. In other words, the Bible cross-references itself to show ultimate Truth.

With a little study and research, the parallels and warnings about Solomon and the spiritual lineage that lead to Saint Germain, Donald Trump and 666 can be found in other places of the Bible, such as [2 Chronicles 9:13](#).

God does not repeat Himself without reason. We need to heed His clear warning.

The return of Christ

If you believe this to be the mark of the beast, then you must also believe that [Jesus is returning](#) anytime thereafter. We are at the end of the Tribulation, watching for the last prophecy to be fulfilled.

While nobody can be sure exactly when [Jesus will return](#), it seems likely that He will return before the grace period between currencies runs out.

Remember, Jesus said that nobody knows the day or hour of His return. He did not say that we would be blind to the general timeframe of the return.

Don't buy into the fear. Don't buy into the peer pressure. Don't buy into the hype. There will be public shaming and probable financial difficulties when you choose to refuse the mark of the beast. There will be an overwhelming group mentality of acceptance that will be fueled by the love of material things.

We might easily be confused into thinking that this is something very good. It will be presented as something that you want, or need to have; you'd be a fool not to accept it.

I mean seriously, who wouldn't want to be free from all earthly debt and be filthy rich, living in a Utopia? This is exactly how we've been conditioned to want to operate in this world.

But Matthew 6:24 (KJV) says:

"Ye cannot serve both God and money."

Always keep in mind, none of the "stuff" here on earth has any eternal value. Like Matthew 6:19-21 (KJV) says:

"19. Lay not up for yourselves treasures upon the earth, where moth and rust doth corrupt, and where thieves break through and steal: 20. But lay up for yourselves treasures in heaven, where neither moth nor rust doth corrupt, and where thieves do not break in and steal: 21. For where your treasure is, there your heart will be also."

The final test; the final countdown

Who do you trust? Do you trust the fear that the world is pushing down your throat right now? Will you trust the NESARA solution when it's presented to solve all of the world's problems?

Mark 10:24 (KJV) says:

"how hard it is for them that trust in riches to enter into the Kingdom of God!"

God is not the god of [this material world](#). The mark of the beast is what will eternally separate you from God, because God doesn't promise you earthly riches and material wealth. In fact, He is in direct opposition to it.

It's your heart that shows God where your allegiance is.

Are you focused on Him, or are you in love with the things of this world? When you're forced to make the decision to take the mark of the beast that will seal your eternal fate, what decision will you make?

Jesus faced the same decision; now it's your turn

When you're making your decision, remember that Jesus faced the same temptation from Lucifer when He walked on the earth. Lucifer offered Him all the kingdoms of the world if he would pledge an oath to him.

Matthew 4:9 (KJV):

"9. All these things will I give Thee, if Thou wilt fall down and worship me."

But in the next verse, Jesus replied:

"10. Get thee hence, Satan: for it is written, thou shalt worship the Lord thy God, and Him only shalt thou serve."

We will all be presented with the exact same proposition. It may come during the coronavirus [Covid-19 scare](#), or it may come a bit later. Only time will tell.

But when it does, will you answer like your neighbor does? Or will you answer like Jesus did?

2 Timothy 1:7 (KJV):

"For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind."

KJV vs NKJV

But first;

"He causeth" definitely an individual with of control over the corporate industry in all the essential areas for sustenance using powers, principalities, rulers of the darkness of this world and spiritual wickedness all under his command.

The COVID 19 caused everyone to wear a mask before entering a store, office, etc.

"He" will issue an order that no one will be able to buy or sell unless you receive:

KJV;

"to receive a mark IN their right hand, IN in their foreheads"

NKJV;

"to receive a mark ON their right hand, or ON their foreheads"

I always trust the KJV over any corrupted Bible.

This is as far as I got.

You cannot mix New Age thinking along with KJV Biblical scripture as it is unequally yoked.

This makes so much sense. I would rather die in the hands of God than this system. God bless for this information.

After transiting from 30 years of New and knowing about the so called Ascended Masters and also about NESARA/GESARA since 2006 I did have a sense recently since I became a born again Christian in 2017 (Saved by Jesus himself Praise God)! that something did not quite add up with all the TRUMP hype. I always had a gut feeling that something was not right about him yet it appears to me he is deceiving even the Christian who are convinced that he is on 'their' side since he is often followed by a mob of elite Pastors and Preachers some well known successful Leaders of Evangelist movements in the USA. I am deeply

grateful to the writer of this post as it has finally answered the many questions I had about this entire 'circus'. It was quite clear to me that the Global Reset must have had something to do with the Mark of the Beast what I was not clear about was the refined details that you explained here (I too thought it was the microchip) But as you very clearly wrote here it is a lot deeper than that and now very clear. It goes without saying that I was relieved and also saddened by the fact that as you say the 'SEDUCTION' will be too great to pass for many. It is the final strike of Lucifer, that is almost identical to the moment in the desert when he offers our Beloved JESUS "ALL the Riches in the World" and Jesus was able to refute the offer. I believe the three temptations of Christ aimed at Popularity/Power/Wealth are the very TEMPTATIONS that even Christians will be faced with when the time comes. I believe that only those who are going to be in deep communion and devotion to Christ may be able to escape this great deception. I am just seeing as well that many are deceived now and after decades of "Prosperity Preaching" by the Evangelist Pentecostal movement it will not be hard to see how everyone will 'go for the gold' thinking it is a 'blessing from the Father'. How can they not when there are so many scriptures which suggest God will 'Transfer his Wealth to his Children'? Like Isaiah 60:1-22 Arise, shine, for your light has come, and the glory of the Lord has risen upon you. For behold, darkness shall cover the earth, and thick darkness the peoples; but the Lord will arise upon you, and his glory will be seen upon you. And nations shall come to your light, and kings to the brightness of your rising. Lift up your eyes all around, and see; they all gather together, they come to you; your sons shall come from afar, and your daughters shall be carried on the hip. Then you shall see and be radiant; your heart shall thrill and exult, because the abundance of the sea shall be turned to you, the wealth of the nations shall come to you. ...and again

"I will shake all the nations; and they will come with the wealth of all nations, and I will fill this house with glory," says the LORD of

hosts. "The silver is Mine and the gold is Mine," declares the LORD of hosts. "The latter glory of this house will be greater than the former," says the LORD of hosts, "and in this place I will give peace," declares the LORD of hosts (Hag 2:7-9).

It will be really HARD to convince people unbelievers and believers that THIS VERY THING is a DECEPTION of the enemy. Lucifer could not get more CRAFTY than this, to USE the very PROMISE that God has made as a way to deceive the Children of God. How can we warn people about this? This is a pretty serious and big thing right here. Do you have a FB Page? Are you conducting education webinars on this? Would you be open to the translation of this article into Italian? I have many Italian Christian brothers and sisters who could do with this info.

It also states in the bible...Many shall be deceived in my name... Checkmate. with the reset we will lose many friends and even Family behind the greatest deception ever known. Spread the knowledge you gain it will help some people. But in the end the world is going to take its toll before the Lord Jesus Returns.

Your statement reference from the Bible is wrong about "deceive the elect" you left the part out "if it was possible" deciding the elect is not possible.

This article has a lot of truth in it and I agree with the mark of the beast being a conscious eternal oath to the beast in which you are eternally selling your soul, and I think that it will be connected to the new world order cryptocurrency system in order to buy and sell as the Bible states, and that new system could very well be nesara/gesara. However, the article is very wrong about the beasts. They are not two opposing forces, and the second beast does not take out the first beast. The second beast promotes the first beast and does miracles in his presence and gets people to follow the first beast and to take the mark of the first beast, which the mark is of the first beast not the second. Read the chapters in Revelation about the beasts and you'll see. I do hypothesize though that the first beast will come to power because of the destruction of the cabal, banking, etc as a "savior" or messiah and he'll institute nesara/gesara and people will praise him and willingly line up to gladly take his mark. There will be peace for a short time before he breaks the deal and all hell breaks loose. I like the part in the article that talks about Jesus returning (or more likely the rapture happening) during the grace period between the transition, right after the mark of the beast has happened but right before all hell breaks loose, which is kind of a scenario I could see happening. There's a lot of different theories on the rapture so no one really knows when it will happen, but looks like it's coming sometime soon as it seems like things are starting to line up for a lot of this other stuff to happen.

2. "With a little study and research, the parallels and warnings about Solomon and the spiritual lineage that lead to Saint Germain, Donald Trump and 666 can be found in other places of the Bible, such as 2 Chronicles 9:13." This is pretty much laughable as Trump is mentioned in this when there's absolutely no reference biblically or elsewhere to substantiate this claim

simply because he brought in 666 talents of gold or roughly \$281,318,400 dollars a year. Remember God promised to bless him.

"God answered Solomon, "Because this was in your heart, and you have not asked for possessions, wealth, honor, or the life of those who hate you, and have not even asked for long life, but have asked for wisdom and knowledge for yourself that you may govern my people over whom I have made you king, wisdom and knowledge are granted to you. I will also give you riches, possessions, and honor, such as none of the kings had who were before you, and none after you shall have the like."

2 Chronicles 1:11-12 ESV

3. If you already accepted Christ as your Lord and Savior, then you are already sealed by the Holy Spirit. Therefore you can not be sealed by the Mark of the Beast.

"...if you confess with your mouth that Jesus is Lord and believe in your heart that God raised him from the dead, you will be saved. For with the heart one believes and is justified, and with the mouth one confesses and is saved."

Romans 10:9-10 ESV

"In him you also, when you heard the word of truth, the gospel of your salvation, and believed in him, were sealed with the promised Holy Spirit, who is the guarantee of our inheritance until we acquire possession of it, to the praise of his glory."

Ephesians 1:13-14 ESV

4. We are not near the actual End Times at all based upon a detailed look of scripture.

"And Jesus answered them, "See that no one leads you astray. For many will come in my name, saying, 'I am the Christ,' and they will lead many astray. And you will hear of wars and rumors of wars. See that you are not alarmed, for this must take place, but the end is not yet. For nation will rise against nation, and kingdom against kingdom, and there will be famines and earthquakes in various places. All these are but the beginning of the birth pains."

Matthew 24:4-8 ESV

Also scripture says that Christ is coming back for a bride without spot or wrinkle. This means that the Church needs to be unified which it is currently not.

There is no need to fear anything nor put any thought especially in this article.
