

COVID-19 AGENDA AND VACCINE INFORMATION SHEET

In the Bible, in Revelation 18:23, which is about the end-times, it says, "*for thy merchants were the great men of the earth; FOR BY THY SORCERIES WERE ALL NATIONS DECEIVED.*" The *great men* are the elite, the billionaires who own large corporations, pharmaceutical companies like Pfizer. They make massive wealth from causing people to be sick through poor food options and then providing medications and treatments.

The word '*sorceries*' in Greek is *pharmakeia*, describing *medication (pharmacy), magic, sorcery, and witchcraft*. Just look at how they push a myriad of their drugs directly to the public via commercials so that the customer goes to the doctor to ask for them. Doctors make spiffs for selling these drugs. Doctors make 4k for tagging someone as CV-19, so there's a financial incentive for them to do so.

Moderna is one of the CV vaccine companies, and their name tells you what they're doing, as they are **MODifying your RNA**. They're genetically modifying humans. A normal vaccine contains a unique protein that stimulates the immune system to create immunity. The CV-19 vaccines are programming your Messenger RNA to continually send proteins, leading to an *autoimmune disorder*. Your body will fight against itself as it tries to counter the proteins that your Messenger RNA is sending. And you can't undo the coding.

During what's called '*The Spanish Flu of 1918,*' most people died from two things: Bronchial Pneumonia, which was caused by wearing masks, and from the vaccine. Dr. Fauci knows these things, which is why he is promoting wearing masks and getting the vaccine. Now he's saying to wear two masks. It's ridiculous! More people will die from wearing masks and from the CV-19 vaccine than from the CV-19 flu.

Wearing a mask causes health issues, which can lead to death. It reduces your oxygen levels and increases your CO2 levels. It causes people to breathe in their own bacteria and toxins, which they just expelled, leading to bacterial infections in their nose and lungs. There will be an increase in deaths from bacterial infections. They will blame CV-19, but it's caused by wearing a mask too much.

CV-19 is not a pandemic. There's a 99.7% survival rate. Coronavirus has existed for years, its Influenza, the flu. The death numbers for 2020 are the same as 2019 and 2018; there was no increase. The CDC shows that only 6% of those who are tagged as 'CV-19' deaths died from CV-19, the flu. The other 94% died from heart attacks, heart disease, sepsis, cancer, etc. Before the CV-19 agenda, 35-50k people died every year in the U.S. from flu complications. But flu deaths are no longer on the CDC reports as if they magically disappeared. The CDC deceptively reassigned the normal flu deaths to inflate the CV-19 numbers to promote their agenda.

The PCR test is not valid for determining if a person has CV-19. If you run the test enough times, it magnifies the sample so much that it will determine a positive. This is why people are testing positive, but they're not sick. The CDC controls how many times the sample is run; thus, they control the number of positives.

Google '*the Great Reset World Economic Forum,*' and you'll see that they're using CV-19 to reset the world, calling it the *Fourth Industrial Revolution*, which will allow them to take more control. They will reap massive profits while gutting the middle class and small business owners. This will cause people to become more reliant on government assistance so that they can control them. They're pushing the world into socialism.

The elite control government officials and the media. They're not telling you the truth; they're telling you what they want you to believe. They're hiding that people are suffering side-effects such as *Bell's-Palsy* and dying from the CV-19 vaccine. The true effects may take a few years to play out, as to hide the direct link.

If you didn't listen to the *tell-lie-vision* and there were no CV-19 signs and masks, you wouldn't think that there's a problem because people die every year from the flu and other medical conditions. Stop listening to the biased paid talking heads. Do research before injecting your body with potentially deadly consequences.
